

Small Talk Springfield

Parents! You have the power to jumpstart your baby's development!

Sign up for Small Talk and participate in 13 **FREE** classes filled with learning, support and fun!

Light refreshments and childcare are provided, and your child will receive a **FREE** book after each session.

The first class is **Thursday, March 1st** at 9:30 am at the Mason Square Library at 765 State Street, Springfield

About the classes:

We're providing a new program where you can learn how to help your baby's brain grow through talk and play. Everything is free!

Benefits of Participating:

- You will learn fun new ways to talk, read and play with your baby and receive feedback with an exciting new talk pedometer.
- You will learn how these skills help your baby's brain grow.
- You will receive free baby supplies - and a chance to win gift cards!

Sign up if:

- Your child is 0-30 months old.
- You have access to a cell phone.
- Your schedule allows you to commit to attending the classes and completing the word counter recordings.
